Dear Parent,

There are times during the school year when we like to take the children out of school for walks around the local area, Country park etc, to support our topics in class. Obviously we ensure we have an adequate number of adults to supervise the children. Could you please sign the consent form below and return to school as soon as possible.

This consent will apply for the whole time your child is in this school.

Yours sincerely,

Mrs M Evans
Headteacher

I give consent for:
